## FROM THE CHAIRMAN'S DESK

B.S.NEGI Mahila Pravidhik Prashikshan Sansthan is an established women polytechnic running from the ONGC Campus at Dehradun. I am grateful to the ONGC for all the support extended for the growth of the Sansthan. The Sansthan is dedicated to the cause of Women Empowerment. I take the privilege to recognise the efforts of the principal, faculty and staff of the Sansthan for their meaningful contribution in imparting quality education to the young under privileged girls of the society. On behalf of the Governing Body of the Sansthan I extend the best wishes for taking forward the fulfilment of the mission and vision of the Sansthan in the right direction .

**Harsh Mani Vyas**  
Chairman

## FROM THE PRINCIPAL'S DESK

The B S Negi Mahila Pravidhik Prashikshan Sansthan is a more than three- decade old Sansthan, dedicated and committed to the objective of empowering young girls and leading their path to career growth and financial independence.

It is a divine providence , that I am blessed to contribute to the noble cause of imparting skill-based education to young girls and be a partner in their journey of a successful life. I strongly believe that a well- educated and empowered girl is the back bone of the smallest unit of social structure-the family, society, state and the nation at large.

India has been the epitome of evolution of women since the Vedic times and our ancient culture eulogizes the divinity of women in all major spheres of human existence. Women are undoubtedly the powerhouse of all skills and possess the talent of multi-tasking with inherent capacity to solve complex issues with patience. The Sansthan is on the path of revival of its past glory, acclaiming credibility in all its endeavor's.

The skill- based courses offered at the Sansthan are market relevant in today's context ,as India is targeting the ambitious objective of "**Make in India, Made by India and Made for India and Skill India**"..

I have full faith in the faculty and staff of the Sansthan and am confident that in due course of time, this Sansthan will be a "Center of Excellence" in Uttarakhand and we shall impart education to students from across all states of India. I am proud to lead a talented team full of zeal and enthusiasm to achieve better results through each passing year.

**Namita Mamgain**  
Honorary Principal

## HISTORY OF B S NEGI MAHILA PRAVIDHIK PRASHIKSHAN SANSTHAN

B.S. Negi Mahila Pravidhik Prashikshan Sansthan in Dehradun was established on June 27, 1987 by Mrs. Shobhana Wahi, wife of former ONGC Chairman Lt. Col. S.P. Wahi. The Sansthan was initially named ONGC Mahila Samiti Polytechnic for women and was later renamed ONGC Mahila Pravidhik Prashikshan Sansthan in 1992. Finally, it was renamed B S Negi Mahila Pravidhik Prashikshan Sansthan on December 20, 2003, in the honour of the first chairman of ONGC. The Polytechnic was started as a small training center to impart skill-based training to girls in the various market relevant trades. It gradually transformed into AICTE recognized polytechnic and obtained affiliation to the Uttarakhand Board of Technical Education. The student strength at its peak was around 600 girls pursuing different skill-based diplomas.

Today, the glorious legacy of the prestigious Sansthan is known for the quality education imparted to the girls from the economically weaker section of the society on fee-waiver ranging from 10% to 100%.
